

História

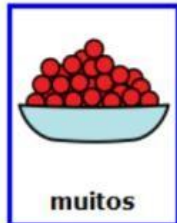

da Casa

Feliz

Há muitos,

muitos

anos,

numa terra

chamada

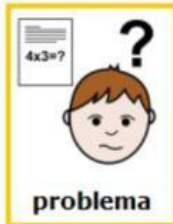

Espinho,

havia

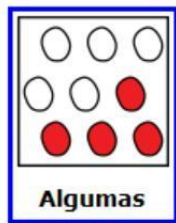

um

problema

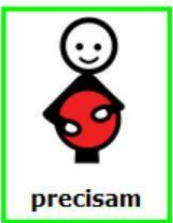

triste.

Algumas

pessoas

precisam

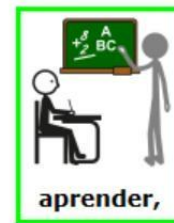

de mais

ajuda

para

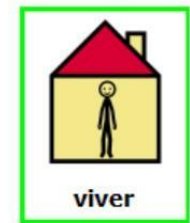

aprender,

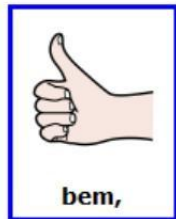

brincar

e

viver

bem,

mas

não

havia

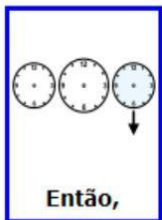

ninguém

para

as apoiar.

Então,

1

um

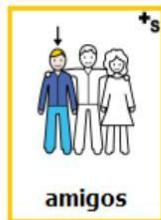

dia,

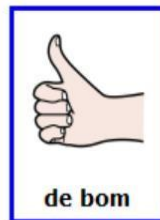

no ano de 1976,

20

vinte

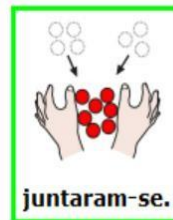

amigos

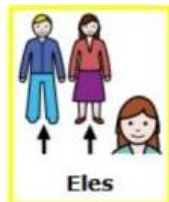

de bom

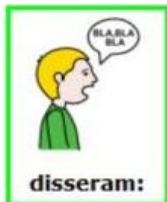

coração

juntaram-se.

Eles

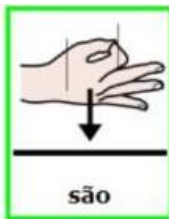

disseram:

- "Todas

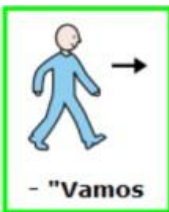

as pessoas

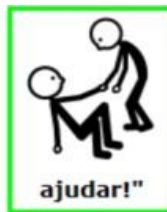

são

importantes!

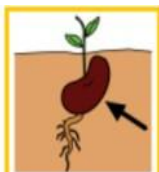

- "Vamos

ajudar!"

E assim

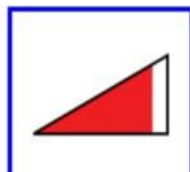

nasceu

1

uma

casa

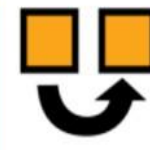

muito especial

chamada

Cerciespinho

para

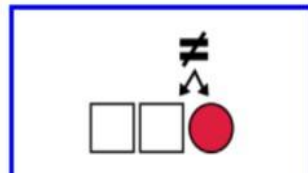

ajudar

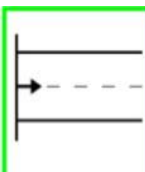

pessoas

com

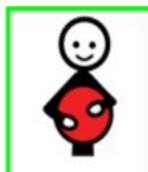

diferentes necessidades.

No começo,

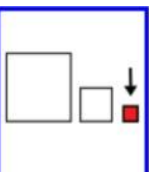

essa casa

tinha

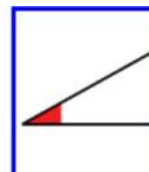

uma escola

pequena,

com

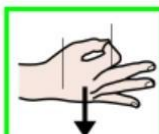

poucas

crianças.

Mas

era

uma escola

cheia de sorrisos,

abraços

e

paciência!

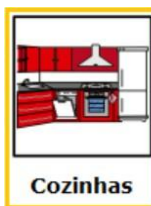

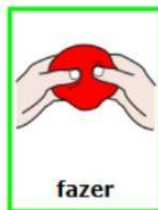

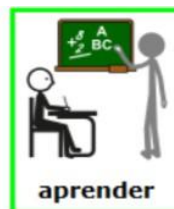

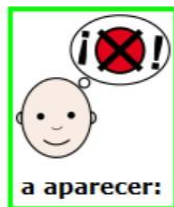

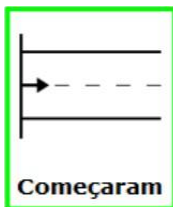

Com o passar do tempo,

a casa

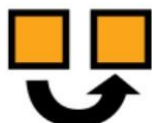

cresceu!

Casas

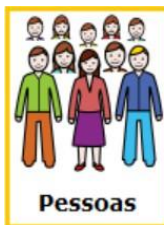

para

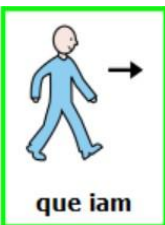

viver

em segurança

Pessoas

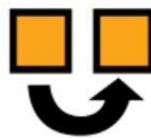

que iam

à casa

dos avós

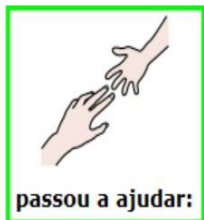

para

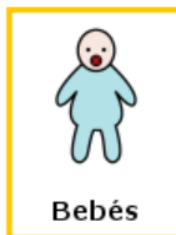

os ajudar.

A Cerciespinho

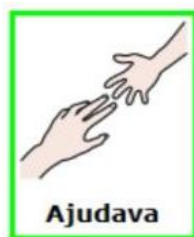

passou a ajudar:

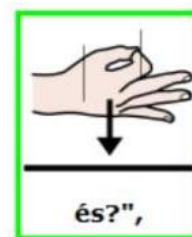

Bebés

crianças

sem

mas apenas:

Passados

50

50

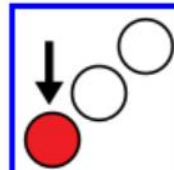

anos,

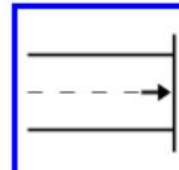

...sim

a Cerciespinho

este ano

completa

50

50

anos

de vida,

continua a ajudar

muitas,

muitas

pessoas:

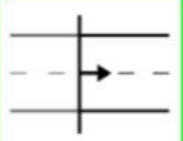

quase como

uma aldeia inteira.

E

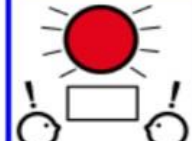

continua

a ensinar

algo muito

importante:

Que

quando

cooperamos,

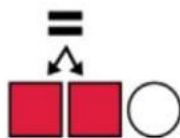

Quando

tratamos

todos

por igual,

E

quando

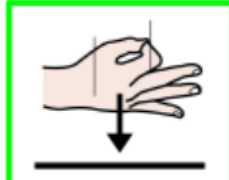

tomamos conta

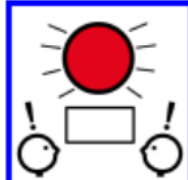

uns dos outros,

O mundo

fica um lugar

melhor

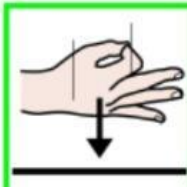

para

viver!

Todas as pessoas

são

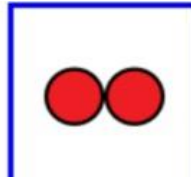

importantes.

Quando

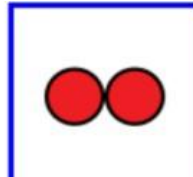

ajudamos

juntos,

crescemos

juntos.
